WEST END LANE, LONDON, NW6 1UX

Positioned prominently on West End Lane in the heart of West Hampstead, the studios sit directly above the well-known Gail's Bakery at NW6 1UX. Arranged over three full storeys with additional roof space, the property comprises eight residential units and four communal areas, offering a versatile income-producing asset with long-term potential.

The accommodation is laid out efficiently across the upper floors, with a mix of well-proportioned units as illustrated in the accompanying floorplans. Natural light is a consistent feature throughout, enhanced by front and rear aspects typical of this style of period building.

The building is held on a long 990-year lease, providing security and flexibility for investors or owner-operators. The roof space presents potential for future enhancement as well as some reconfiguration to create more rooms, subject to the usual consents.
