The house, which is located within a short walk of 'The Green' and within 'The Conservation Area', boasts easy access to the town centre with mainline railway station and has well planned accommodation worthy of your early inspection. Upon entering the house you will

notice the spacious layout to include an inviting entrance hall flowing to a through living/dining room which has a bay window flooding the room with natural light and sliding patio doors to a conservatory with views over the truly impressive rear garden. The balance of the ground floor includes a useful cloakroom/WC and a galley style fitted kitchen. Stairs from the entrance hall lead to the first floor landing which provides access to three good sized bedrooms (two doubles and one single) and a family bathroom with separate WC.
