DESCRIPTION

Boasting charm, character and a delightful outlook over The Green, this beautifully presented two bedroom terraced cottage is ideally positioned within a short walk of the town centre and the Zone 6 Elizabeth Line station. The well planned accommodation is well worthy of your early inspection and comprises an entrance porch opening into a welcoming 24'4 x 11'5 living/dining room with exposed floorboards and an attractive feature fireplace, a modern grey fitted kitchen overlooking the rear garden, two double bedrooms (one with fitted wardrobes), and a bathroom fitted with a stylish suite and attractive floor tiling.

Note: The property suffered from subsidence

to the rear of the cottage which dates back to 2016. The previous owner has, via an insurance claim, had structural works conducted and a building control 'final certificate' has been issued (a copy can be provided on request). We recommend that any purchaser, in order that they satisfy themselves, obtains legal advice and consults their mortgage lender prior to proceeding with the purchase of the property.

OUTSIDE

Front: Ornamental iron gate opening onto a low-maintenance concrete surface.

Rear: Natural stone patio area extending to a pathway leading towards the rear of the garden, where there is a further patio area. There is also a pebbled area and the balance is laid to lawn with an established planting border and bed. Note: There is a shared access pathway over a neighbouring cottage providing pedestrian access to the garden.
