- Generous Detached Garage with Development Potential (STPP)
- Residents' On-Street Permit Parking
- Recently installed Combination Boiler
- No Onward Chain

DESCRIPTION
Steeped in history and understood to date back to the 17th century, this remarkable family home has been thoughtfully reimaged to offer the perfect balance of period charm and modern luxury.

Once serving the community as a local shop and the village Post Office, it has been a cherished private home for around four decades.

INTERIOR
The hub of the house is the generously proportioned open-plan kitchen, dining and living space featuring large bay windows overlooking The Green, for contemporary day-to-day family living, with room to entertain on more formal occasions. This impressive space boasts hard-wearing high quality engineered wood flooring throughout, together with a modern fitted kitchen comprising white high-gloss wall and floor cupboard units. The kitchen is complemented with solid wood work surfaces, with a host of premium fitted appliances, including AEG oven, dishwasher and freezer.

The separate snug, which is located just off the kitchen, dining and living area, provides a welcoming carpeted space for relaxation or large-screen family entertainment, and features a wood-burning stove which is a real focal point in the room.

The front of the ground floor accommodation includes a spacious main entrance hall with tiled floor, a modern ground floor WC, and a utility cupboard housing the plumbed space for a freestanding

washing/drying machine, an optional stacked tumble-dryer and coats/outdoor wear.

To the rear of the ground floor, there is a conveniently located carpeted fourth bedroom, and the stone-floored rear lobby with under-stair storage and stable door providing access to the rear garden.

Stairs from the rear lobby lead to the first floor, both carpeted, with thoughtful design and ample built-in storage facilities throughout.

The spacious first floor landing provides direct access to the carpeted upstairs bedrooms, and features the airing cupboard. The landing leads to the imposing principal bedroom accommodating a superking-sized bed, with multiple built-in cupboards and an en-suite WC (including eaves-storage).

The second double bedroom also features further built-in cupboards and a study, with its own built-in deep shelving and eaves-storage. The third good-sized bedroom also provides loft-access. Finally, the luxury family tiled floor bathroom provides WC, large sink with storage and an over-bath rainfall shower.

EXTERIOR
The secluded enclosed courtyard-style garden is designed for easy maintenance. Laid to granite paving, with raised beds featuring mature planting, including wisteria, rose, honeysuckle and jasmine.

An additional separate multi-use area also provides access and storage to the rear of the property.

LOCATION
The Green is close to family parks and Southlands Arts Centre, with a real sense of community, making it a desirable place to live.

The property is a short walking distance to local amenities, including West Drayton town centre, with a variety of shops, restaurants and superstores.

The new Platinum Jubilee leisure centre, in close walking distance, is currently on track to be completed in Autumn 2025, and will include a swimming pool, gym, rooftop football pitch and more.

West Drayton's Elizabeth Line station is a short walk from the property, and is situated within the 1-6 TfL fare zone, providing

direct rapid journeys to Central London amenities.

Easy access to the M4, and from there drive either east towards central London or west to the M25, and the motorway network beyond.

An easy drive by car or taxi from the property to Heathrow offers **GARAGE & PARKING** for those who travel frequently for business or pleasure.

The property includes a detached garage with room for both a vehicle and storage, with its own dropped-kerb access onto Church Road. Provides a potential development opportunity as a home office, multi-car or multi-use space (subject to planning permission).

Residents' on-street permit parking, with up to 5 resident permits available (subject to local authority guidelines).

HEATING & HOT WATER
Centrally heated, with a gas-fired combination boiler (concealed behind a panel in the ground floor WC, and replaced in April 2025) serving the radiator system and providing the domestic hot water

COUNCIL TAX BAND
We understand that the current council tax band is E.

SERVICES
Mains gas, electricity, water and drainage.

TENURE
Freehold.

VIEWINGS
