Cortlands , Sigwells DT9 4LL

VACANT - NO FURTHER CHAIN. THREE QUARTERS OF AN ACRE! 'Cortlands' is a very well presented, mature, double-fronted, detached (2200 square feet) dormer bungalow standing in a generous plot and charming, level gardens extending to just under three quarter of an acre (0.72 acres approximately). The main rear garden boasts a sunny westerly aspect and outstanding countryside views, often framed by glorious sunsets. This huge garden also benefits from a second detached garage, large timber outbuilding, large polytunnel and former air raid shelter. The property is located in a very sought-after semi-rural address, a very short drive to Sherborne town centre and mainline railway station to London Waterloo. There are wonderful country lane walks from the front door. The bungalow boasts a private driveway providing off road parking for five to six cars leading to an attached one-and-a-half size garage. There is potential for more driveway parking, subject to the necessary planning permission. It is heated oil-fired radiator central heating via a Stanley Range, a cast iron log burning stove and open fireplace and benefits from uPVC double glazing. There are good levels of natural light from dual and triple aspects, large windows and a pleasant east-to-west aspect. The deceptively spacious, flexible accommodation comprises large entrance reception hall, sitting room, dining room / ground floor double bedroom four, open plan kitchen breakfast room and ground floor shower room / WC. On the first floor, there is a landing area, three generous double bedrooms and a family bathroom. This lovely home enjoys countryside walks not far from the front door – ideal as you do not have to put the dogs and the children in the car! We believe that the northern part of the garden (extending to just over a third of an acre) is a potential building plot (subject to the necessary planning permission).
