Murray Road, Ealing, W5 4DA

A classic and very well located Edwardian end of terrace family home, boasting larger than average room sizes (and with potential to extend further still) brought to the market without any onward chain.

This lovely family home has plenty of living space, with accommodation comprising a welcoming hallway, two spacious reception rooms, a utility room and a kitchen breakfast room. Upstairs, there are three well proportioned and genuine double bedrooms and a family bathroom. The property has previously had planning consent granted to extend the property considerably, so the potential for this remains. Outside, there are lovely front and rear gardens, making this a truly lovely home

Murray Road is very well located for the local amenities of Northfields and South Ealing and is just half a mile from both underground stations (Piccadilly Line) giving fast access into Central London and out to Heathrow. The property is well positioned for some of the area's best and most sought after schools including Little Ealing Primary and Ealing Fields. It also benefits from being nearby to the beautiful open spaces of Blondin and Lammas Parks, Ealing Broadway's shopping centre, multitude of restaurants and its station (with overground services to Paddington and its Central, District and the new Elizabeth line services). Brentford town centre and station to London Waterloo is also within easy reach as are the A4/M4 road links and bus routes serving Kew, Richmond and Kingston.
