Summary

2 Bedroom Terraced House with Garage

Arranged over three floors, the house is practical and flexible. The ground floor has a utility room, a study that works well for home working, and a private courtyard. The first floor holds the lounge, kitchen and family bathroom, and the two bedrooms and a shower room are on the second floor. A private garage is a rare find so close to the centre of Brighton.

Sillwood Street is well placed for the shops, cafés and restaurants of Western Road, the seafront and Brighton mainline station. Viewing is recommended.
