Located in the heart of the Cornish fishing village of Porthleven is this two bedroom terraced house. The residence, which benefits from air source heat pump central heating and double glazing, is well proportioned and presented for sale in good decorative order. To the outside there are gardens to the front and rear which are hard landscaped for ease of maintenance and a garage is located close by.

The property benefits from solar panels which we are advised are owned outright by the vendor.

In brief, the accommodation comprises a hall, lounge, kitchen/diner and to the first floor there is a shower room and two bedrooms.

Porthleven is a vibrant, picturesque fishing village and mainland Britain's most southerly port. The village is renowned for its many highly regarded restaurants, long beach, surfing, rugged coastline and clifftop walks. Community groups are thriving within the village with sports' clubs and a prize winning brass band which can be heard echoing around the harbour on many a summer's Sunday evening.
