Set in the lovely village of Breage, this impressive six-bedroom home offers generous and versatile accommodation, ideal for family living.

Breage is a traditional Cornish village with a warm community atmosphere, home to a local pub, church, post office, shop and a lovely park. The beautiful coastline is close by, with Porthleven, Rinsey and the long stretch of golden sand at Praa Sands all within easy reach.

The ground floor features a spacious lounge and a beautifully fitted kitchen with a range oven and ample work surface space. The kitchen flows into the dining room, complete with Rayburn, extra storage and preparation space. This sociable area feels like the true heart of the home – ideal for family gatherings and entertaining. From both the kitchen and lounge, doors open into a bright sunroom, creating a versatile space for relaxing or everyday family use.

Upstairs, the first floor hosts five bedrooms, including a master suite with its own shower room, along with a luxuriously appointed family bathroom featuring a spa bath and separate shower. The second floor provides an attic bedroom suite with bedroom and shower room, perfect for guests or older children.

Outside, the property continues to impress. To the front is a level lawned garden with a path leading to the entrance, while to the side a driveway provides ample parking and leads to a large garage/workshop. There's also a useful washhouse, summerhouse and beyond the garage, a fantastic covered heated swimming pool. The generous garden extends to the rear with a wide level lawn backing onto open fields.

Energy efficiency is a key feature, with owned solar panels heating the swimming pool via an air source heat pump and providing additional income from a feed-in tariff. This substantial home is perfect for a large family or those seeking an income opportunity – subject to consents, there may be potential to create ancillary or holiday accommodation within the grounds.
