Belmont Road

Sutton, SM2 6DW

NO CHAIN! Nestled in one of Belmont's most coveted roads, this handsome, end of terrace, period home has so much to offer, both inside and out. Firstly, we have to talk location. Have you ever dreamed of living in a quiet road, yet on the doorstep of fabulous amenities, open spaces, schools and transport links?

Belmont Road will surpass your expectations, as it's just a quick stroll into the high street, with you having outstanding schooling a short walk away. Buses and Belmont station are also reachable within a few minutes providing quick links into the City, with your commute coming in at well under an hour. Despite all of this, sitting in your highly secluded, mature rear garden, you'd be forgiven for thinking you were in an area far more rural - a tranquil space for you to enjoy a good book, catch some rays or even have a few friends over. Inside your home, you'll appreciate the abundance of period features and charm that still remain, with the current owners fastidious nature meaning you can just pack your bags and move straight in, yet still being a blank canvas to make your own mark over time. Internally, the layout of the ground floor offers a huge amount of versatility, with two spacious reception rooms and high ceilings, so your living room doesn't have to incorporate a dining table or even a desk. You can keep productive in your own personal space to give you that work/life balance, or hold those dinner parties you've been dreaming of for some time now. If we're on the money with the latter, the wonderful kitchen can also incorporate a table, meaning you can cook up a storm whilst conversing with family or fiends in what is a truly well thought out and designed place for you to hone your culinary skills. Upstairs, this house doesn't let you down; with a family bathroom, fabulous master & 2 further spacious bedrooms, there won't be any issues for your family in designating rooms.
