Carshalton Road

Sutton, SM1 4SA

Whether you are looking to buy a home for the first time, investing or even downsizing, we're sure you are finding that there is very little choice of fantastic properties on the market, with you possibly having to settle for an apartment that compromises on size or condition - with any of these choices possibly being in a location that just isn't quite right. Carshalton Road just ticks so many boxes. Positioned within a highly convenient road you really can have it all. Pulling up to your home through the electric gates after a day at work you'll be delighted to step foot back into your wonderful home. Inside, the layout covers all bases and is a real crowd-pleaser, with all the rooms having been recently refreshed along with being in perfect harmony with each other. A well-proportioned, modern kitchen is a great place to cook up a storm in, having views out to the side which leads to a private landscaped garden, accessed from outside the property. It's perfectly positioned for you and your guests to all spill out onto when dinner is done and the drinks start flowing. The internal accommodation also boasts a spacious, living/dining room that can accommodate a dining table for those all important gatherings. When this happens and you want your friends to stay the night, don't worry! The bedrooms are a double size, which is also perfect if you are working from home. Location wise, you really are in the center of it all here, being on the doorstep of Sutton, where there is a vast selection of shopping facilities, restaurants and bars, with Sutton Mainline station whizzing you up to town in no time at all which is only minutes away. Any downsides? Well if you consider the property also has no onward chain and a garage with parking in front, we are struggling to find any!
