The property offers versatile and well proportioned accommodation approaching 1,400 sq ft and has been thoughtfully improved to provide excellent living space ideally suited to modern family life.

The ground floor accommodation is especially impressive, with a superb open plan kitchen and family area forming the heart of the home. The kitchen is fitted with an extensive range of units and work surfaces and flows naturally into the adjoining family areas, creating a sociable and practical everyday living space. Further accommodation includes a separate utility room, a generous living room, an additional reception area and a conservatory overlooking and providing access to the rear garden. A useful ground floor cloakroom completes the accommodation on this level.

The first floor offers four bedrooms, with the main bedroom being particularly generous and benefiting from its own en suite shower room. The remaining bedrooms are served by a stylish family bathroom, with the accommodation providing good flexibility for families, home working or visiting guests.

Outside, the property enjoys an established rear garden offering areas of lawn and decking, providing excellent space for outdoor entertaining and relaxation. The garden enjoys a pleasant degree of privacy and complements the generous accommodation particularly well.

Kernham Drive is a popular residential location within Tilehurst, conveniently positioned for local shops, regular bus services and well regarded schools. Tilehurst Village, Tilehurst railway station with direct links to Reading and London Paddington, together with nearby open countryside and woodland, are all readily accessible.

A particular feature of this home is its setting, being positioned within a small sub cul-de-sac of only four houses off the main cul-de-sac, creating a quieter and more secluded environment. Offering approximately 1,393 sq ft of accommodation, four bedrooms, an en suite, multiple reception spaces and an impressive extended kitchen and family area, this is a superb family home and an internal viewing is highly recommended.
