4 Nelson Street Hertford, Hertfordshire SG14 3AG

The accommodation immediately impresses with its bright and welcoming feel. The front reception room is an elegant space, centred around a beautiful cast iron fireplace and complemented by original proportions.

To the rear, the property opens into a superb dining room, creating an excellent everyday living and entertaining space. A charming window seat overlooks the rear garden, whilst bespoke storage and warm timber flooring add both practicality and character. The dining room flows seamlessly into the beautifully refitted shaker-style kitchen, which offers an extensive range of shaker-style wall and base units, quality work surfaces, integrated appliances and direct access onto the rear garden. A particularly useful ground floor cloakroom/WC is discreetly positioned beneath the staircase.

The first floor provides two well-proportioned bedrooms, whilst the second floor bedroom offers an ideal child's bedroom, nursery or home office. These rooms are served by a beautifully appointed family bathroom, with a contemporary white suite including a shower over the bath.

The top floor is dedicated to an excellent guest bedroom, offering a bright and spacious retreat complete with useful eaves storage. Equally suited as a principal bedroom, teenager's room or home office, this versatile space adds further flexibility to the accommodation.

Outside, the rear garden has been thoughtfully landscaped to provide an attractive yet low-maintenance outdoor space. A generous decked terrace immediately adjoins the house, creating the perfect setting for summer dining and entertaining, whilst the lawn is framed by mature planting and established trees, providing a wonderful degree of privacy. A further seating area is at the rear of the garden.
