22 High Street Ware, Hertfordshire SG11 1RN

The accommodation comprises a cosy reception room with exposed timbers and sash window, leading through to a well-appointed kitchen/breakfast room with wood-effect flooring, wooden work surfaces, and a part-vaulted ceiling — all overlooking a private and West facing rear garden.

The inner hallway offers access to a stylish bathroom fitted with a contemporary suite, including a panel-enclosed bath with shower over, concealed cistern WC, and vanity unit. Upstairs, the first floor landing features exposed timbers and leads to two well-proportioned bedrooms, both with character details and useful built-in storage.

Externally, the garden is a particular feature of the property with a shingled seating area leading to a lawn with well-stocked borders and an outside tap. Set to the rear is a superb detached office/summerhouse, ideal for home working or creative pursuits, with power and lighting connected, and enjoying double doors opening onto the garden.

Puckeridge High Street itself offers a selection of local amenities including two public houses, a tearoom, general stores, and a doctor's surgery. The village also benefits from well-regarded primary and infant schools, a recreational ground, and a village hall. Excellent road connections via the A10 and A120 provide swift access to nearby towns including Ware (7.1 miles), Hertford (10 miles), and Bishop's Stortford (6.6 miles).
