7 Hillside Ware, SG12 9JZ

This home has been significantly improved and extended by the current owners, now providing a superb balance of contemporary design and practical family living. The heart of the house is undoubtedly the stunning open-plan kitchen/dining/family space to the rear, featuring quartz work surfaces, a central island, and a full range of integrated appliances. Bi-folding doors and a large skylight flood the space with natural light and create a seamless connection to the garden.

To the front, a separate living room offers a more intimate setting, complete with a bay window, herringbone flooring, and a feature log burner, creating a warm and inviting atmosphere.

The entrance hall is bright and welcoming, with stairs rising to the first floor and access to a ground floor cloakroom.

The first floor provides three well-proportioned bedrooms, including a generous guest room with bay window, alongside a stylish family bathroom fitted with a modern suite and shower over bath.

The second floor has been converted to create an impressive principal suite, featuring a spacious double bedroom with dual aspect views and a luxuriously appointed shower room.

Externally, the property is set back from the road with a driveway providing off-street parking for several vehicles. The rear garden has been attractively landscaped, offering a combination of terrace areas ideal for outdoor dining, along with a versatile outbuilding currently used as a home office.
