22 Hertingfordbury Road Hertford, Hertfordshire SG14 1JX

This charming property blends period character with practical modern living. Features include stripped wood flooring, characterful wooden doors and a contemporary open fireplace creating a comfortable and inviting living space.

The ground floor offers a bright living room leading through to a spacious fitted kitchen/breakfast room, thoughtfully arranged with ample work surfaces and space for dining. A modern ground floor shower room completes the layout. The kitchen provides direct access to a low-maintenance courtyard garden, ideal for outdoor seating and entertaining.

Upstairs, there are two well-proportioned bedrooms.

Externally, the property benefits from a private courtyard-style rear garden. Parking is available on-street on a first come, first served basis.

Hertford is one of Hertfordshire's most desirable market towns, and not by accident:

Transport: Two stations, Hertford North and Hertford East, give direct access into London (Moorgate and Liverpool Street). That dual-line flexibility matters.

Green space: Hartham Common and the River Lea offer proper outdoor space, not token parks.

Culture: Hertford Theatre (currently undergoing major investment) and Hertford Castle grounds give the town real identity, not just commuter convenience.

Food & drink: Strong independent scene. Cafés, pubs, and restaurants outperform most towns this size.

Schools: Well-regarded local schooling adds long-term demand stability.
