Paddock View Netherfield Lane Ware, Hertfordshire SG12 8HD

Internally, the property has been thoughtfully arranged to create a strong balance between open-plan living and more formal reception space. The heart of the home is an impressive kitchen/dining room, beautifully fitted with integrated appliances, granite work surfaces and ample storage, flowing effortlessly through to a bright and spacious family room with views across the rear garden. This is a genuinely sociable space that works exceptionally well for both day-to-day living and entertaining.

In addition, the ground floor offers a well-proportioned lounge with feature fireplace, a separate playroom, and a dedicated home office, giving the flexibility that many buyers now demand.

Upstairs, the principal bedroom is a standout feature, benefitting from a walk-in dressing room and a well-appointed en-suite shower room. There are three further double bedrooms, all served by a modern family bathroom. The rear garden enjoys a desirable south-facing aspect, offering a high degree of privacy and a mature, established feel. Of particular note is the modern garden building, currently configured as a home office/gym, providing excellent additional space away from the main house.

Stanstead Abbots continues to be a sought-after location, with a vibrant high street, well-regarded schooling including Richard Hale, Presdales and Chauncy, and convenient access to St Margarets station, serving London Liverpool Street and Hertford East.
