7 Carriage Court North Road Herford, SG14 1LN

The House & Lifestyle

Carriage Court sits just moments from Herford's lively town centre, offering city energy with countryside calm. Once the coachworks and showrooms of Henry McMullen, this gated courtyard development blends heritage character with striking modern design.

These architecturally impressive mews homes feature floor to ceiling glazing, vaulted ceilings and exposed steel beams, creating light filled spaces with privacy and a strong sense of calm.

Designed as an upside down house, the open plan living, dining and kitchen space occupies the upper floor to maximise light and volume. It is ideal for entertaining, cooking and relaxing. Warm and cosy in winter, the home stays comfortably cool in summer thanks to integrated air conditioning.

The current owners moved from London nearly seven years ago seeking more space and a better pace of life. Herford quickly felt like home, with its independent coffee shops, pubs, restaurants, theatre, cinema and beautiful riverside walks. What began as a home for hosting friends has grown into a much loved family home.

Herford North station is a short walk away with direct services to Finsbury Park in around 37 minutes and Moorgate in approximately 51 minutes. Herford East station, around 0.6 miles away, connects to Tottenham Hale and London Liverpool Street.

Herford is a charming market town known for historic streets, green spaces and a strong community spirit. A weekly Saturday market offers local produce, while riverside paths and welcoming pubs like The Old Cross make it easy to feel part of the town.
