

ST. BRELADE
5 BEDROOM HOUSE - DETACHED
ASKING PRICE £1,650,000 FREEHOLD

DESCRIPTION

Bespoke 5-Bedroom Detached Home with Indoor Swim Spa & Architectural Detail.

This impressive detached five-bedroom home offers exceptional space, high-end finishes, and outstanding functionality for modern family living throughout. Designed with a striking architectural style, the property features exposed wooden beams, ceramic floor tiles, and floor-to-ceiling glass windows that fill the home with natural light. The spacious open-plan layout centres around a state-of-the-art kitchen, complete with a central island, breakfast bar, and premium integrated appliances. Adjacent lies a generous dining area, alongside a bespoke staircase that adds character and elegance and a separate large living room. One of the home's standout features is the dedicated pool room, with a built-in swim spa and counter-current system, opening onto a decked balcony with views over the rear garden. There are five large double bedrooms in total—three on the ground floor, each with fitted wardrobes. Upstairs, the primary suite includes a dressing area, en suite bathroom, and an additional double bedroom. There is also a separate snug/study on this floor with a mezzanine-style layout. The rear east-facing garden includes a paved patio, lawn, and children's play area, while the west-facing front garden offers additional lawn, flower beds, and mature trees and shrubs. Parking is plentiful, with space for six cars on the private driveway and two more in the double garage. This home is ideally located within walking distance of local schools, Red Houses, Winston Churchill Park, and arguably some of the island's best beaches, including St. Brelade's Bay and St. Ouen's Bay. The No.15 and 22 bus routes are just a two-minute walk away, and the nearby cycle track provides quick and easy access into town. If you're looking for a one-of-a-kind family home that offers space, privacy, and luxury in equal measure—this property delivers it all. Early viewings are highly recommended.
