**Guide price £525,000**

Sutton Farm is a highly impressive Grade II Listed Building set around its own courtyard with elevated private terraces to the south overlooking beautiful wooded communal grounds. No 4 Sutton Farm is a three bedroom property within the exceptionally well-presented stone coach house/barn conversion and mixes the best of contemporary and traditional features. To the front is private parking and a large double garage. There is a large elevated south-facing terrace to the rear overlooking woodland and leading down to the stream and small weir.

The property briefly comprises impressive entrance hall with double height ceiling, guest cloakroom, reception room, large kitchen/diner with centre island and separate utility with fully integrated appliances. To the first floor are three bedrooms, master with en-suite and dressing room and the house bathroom. Externally there is residents and visitors parking in the courtyard, garaging and private south facing terrace.

A private drive from Langton Road leads to Sutton Farm. There are five properties in a highly impressive Grade 11 listed former coach house/barn alongside three other individual newbuild/renovations. The barn itself was originally built in 1700s. The development, by Grantside, was nominated for numerous awards. Set in jointly owned woodland sloping down to the old fish farm on Mill Beck.

Sutton Farm is situated to the southern extremity of Norton leading towards the Wolds. The Towns of Malton and Norton offer an excellent and varied range of shops and both Primary and Secondary Schooling. The Railway Station provides links to the Intercity service at York and the A64 provides good road communications east and west.
