Individually Designed Three-Bedroom Detached Bungalow on an Exceptional Corner Plot – Built by Renowned Local Builder Wilf Oldfield.

Occupying a prime corner position within this popular residential development, this outstanding detached bungalow was individually designed and built by respected local builder Wilf Oldfield. Apart from the bungalow opposite, it stands on what is likely the largest plot on the estate, offering space, privacy, and beautifully landscaped surroundings.

Approached via a spacious block-paved driveway with parking for multiple vehicles, the property enjoys an elegant first impression with a covered veranda to the front door, flanked by mature trees and immaculate gardens that wrap around the property. A summer house and ornamental pond enhance the outdoor space, providing a tranquil retreat in all seasons.

Internally, the home offers generous and well-balanced accommodation, including three double bedrooms, a large family bathroom with corner bath and separate shower cubicle, and two large hallway storage cupboards. Bedroom One enjoys a dual-aspect outlook, bathing the space in natural light.

The welcoming sitting room features a gas fire set within a striking brick fireplace, leading into a bright and peaceful sun room overlooking the rear garden. The kitchen includes an integrated oven and ample storage, with a separate laundry room for added practicality.

A detached double garage provides secure parking, storage, or workshop space, while the wide frontage and well-tended gardens elevate the overall sense of quality and space. This rarely available bungalow is perfect for downsizers, families or buyers seeking single-storey living in a beautifully established setting close to excellent local amenities.
