Charming Victorian Mid-Terrace in the Heart of Malton

This beautifully presented four-bedroom Victorian home is ideally located in central Malton, just a short stroll from the town's vibrant marketplace, independent shops, doctors' surgery, and train station with direct links to York and beyond.

Combining elegant period features with thoughtful modern updates, this spacious mid-terrace offers characterful living over two floors. A handsome bay window frontage sets the tone for the stylish interiors within. Enter through a panelled lobby with dado rail and a stripped pine half-glazed door into a welcoming hallway with parquet-effect flooring and column radiator. The front lounge features a bay window, decorative panelling, picture and dado rails, ornate cornicing, and a beautiful fireplace with tiled hearth and multi-fuel stove. Two column radiators complete the space.

From the hallway, steps lead up to the dining room, a generous rear-aspect space with stripped wood floors and views over the courtyard. The kitchen is fitted with wooden worktops, Smeg cooker (available by negotiation), integrated dishwasher, and chequered vinyl flooring. A rear porch leads to a utility room with towel radiator, space for laundry appliances, low-level WC, and rear access.

Upstairs, the home offers four bedrooms, three generous doubles and a fourth ideal as a single bedroom, nursery or home office. The principal bedroom enjoys a quiet rear aspect, with a second large double and single bedroom to the front. The family bathroom includes a bath with shower over and glazed screen, vanity basin, WC, and airing cupboard.

Outside, a charming courtyard garden features raised beds, water butt, and private off-street parking for two vehicles. Two useful outbuildings provide power, lighting, and house the relocated boiler.

A rare opportunity to secure a character-rich home in one of North Yorkshire's most desirable market towns.
