At the end of a cul-de-sac, in a tucked away and quiet location, a charming mid-terraced house with enclosed garden, parking and garage.

Guide Price £199,995

Situation and Description

This pretty mid-terraced house forms part of a popular development and is well positioned and tucked away, right at the end in a cul-de-sac. There are excellent facilities nearby, with a Tesco Supermarket and petrol station within easy reach via road and a footpath, as well as a doctor's surgery. Regular bus services run to and from the city centre, where there are a host of facilities, with a choice of shops, restaurants, cafes, a multiplex cinema, theatre and mainline train station. The development also lies close to open countryside so there are plenty of walks nearby.

Ideal as a first home, or perhaps as an investment, this well maintained and presented house offers comfortable living space, that benefits from gas fired central heating, all fitted carpets, double-glazing and a very useful single garage with power and lighting.

On arrival, a canopy porch and front door lead into an entrance hall with coat hooks, radiator and archway to the kitchen. Here there are a range of fitted floor and wall cupboards, as well as a built-in Bosch oven, gas hob and extractor, plenty of workspace, a one and a half bowl sink and space for a washing machine and upright fridge/freezer.

The living room is a good size and includes oak effect flooring and overlooks the gardens at the rear with full-length glazed doors out onto a good-sized patio. A fully carpeted staircase then leads up to the first floor where there are two bedrooms, both with built in wardrobes, radiators and fitted carpets. A bathroom then offers a white suite with the addition of a shower over the bath and a fitted bathroom cabinet.

Outside

To the front of the house there are 2 allocated parking spaces in front of a useful garage (16 x 8') with a blue up and over door, power points and lighting. A pathway then leads to the front door with a small lawn on one side. The rear gardens are then well enclosed on all sides by close-boarded fencing, with a large patio, small lawn and shrubs on one side.
