Occupying a south-facing plot and lying on the southern side of the cathedral city of Hereford, the property offers easy access to a range of local facilities and services. The city centre lies within a mile and a half and offers an extensive range of shops, cafes, restaurants, a multiplex cinema, schools and much more.

7 St Vincents Close is an excellent sized three-bedroom family house which occupies a large corner plot with well enclosed gardens at the rear. It benefits from double glazing throughout as well as gas fired central heating, a recently refurbished bathroom and a large garage/workshop with utility space at the rear. The property offers scope for some further improvement and is quietly situated in this well-established cul-de-sac.

On arrival, a front door leads into a useful entrance porch with glazed door then leading through to the reception hall, with central heating thermostat, smoke alarm and door to the lounge. With a large window to the front allowing plenty of light to stream in, the lounge offers plenty of space to relax and has an open walkway through to a breakfast area with a double-glazed panel door leading out to the rear gardens. The adjoining kitchen space has a single drain sink unit, automatic dishwasher, fitted cupboards, double glazed window overlooking the rear gardens, an understairs storage cupboard and door through to an excellent utility space with further working surfaces, single drainer sink unit, double glazed panel door to the gardens and door through to cloakroom.

From the reception hall a fully carpeted staircase leads up to the first-floor landing with window to side, access to roof space and smoke alarm. There are then two large double bedrooms at the front and rear of the property as well as a generous single bedroom all with fitted carpets, radiators and double-glazed windows. These are then supported by a family bathroom with a modern white suite including a panel bath with electric shower

over and shower screen, pedestal wash hand basin, WC and double-glazed window to rear.

Outside

The property is approached by its own driveway which leads to an excellent attached garage/workshop with up and over door to front, door through to utility at the rear, window to side and gas fired central heating boiler.

To the front the gardens are partly enclosed by wooden fencing and brick walling with shrubs and a small lawned area. A side gate then leads to the rear gardens which include a patio, lawn and herbaceous and shrub borders all enclosed by wooden fencing.
