Situation and Description

The Dingle, is a small residential cul-de-sac in a highly sought-after and well-established part of the city. With south facing gardens, 2 The Dingle occupies a sunny and spacious plot and is with a short walk, or drive, of an excellent range of facilities. Hereford offers a good range of shopping facilities with plenty of High Street supermarkets and stores, an Odeon multiplex cinema, a choice of cafes and restaurants and a main line railway connection. Within a short walk of the property are schools, a butcher, a post office, and convenience stores.

2 The Dingle is a very comfortable dormer bungalow, which offers double glazing and gas fired central heating. The accommodation is spacious and offers both a ground floor and first floor bedroom as well as two good reception rooms and a well-fitted kitchen. The gardens are a lovely feature and there is both off-road parking and a garage.

On arrival, an enclosed front porch leads into a central hallway and then to a comfortable lounge. There are windows on two sides, a fireplace with coal effect gas fire, a radiator and coving to the ceiling. A kitchen/ breakfast room offers a range of base cupboards and drawers along with matching wall cupboards, a built in 4-ring gas hob with extractor above, an electric oven, built-in fridge and door to adjoining utility space which houses the gas fired boiler.

From the central hallway and opposite the kitchen is a dining/ living room which is a useful space and has patio doors leading into a lovely conservatory, which overlooks the gardens and leads out to a sun terrace.

Also on the ground floor is a double bedroom which has double-glazed windows to the front and full-height wardrobes and cupboards to one wall. The ground floor accommodation is then supported by a bathroom with both a bath and shower, along with all the other usual fittings.

From the dining room an open-tred staircase leads up to the first floor where the second bedroom enjoys far-reaching views and includes wardrobe and under-eaves storage space, as well as an en-suite cloakroom with WC and wash hand basin.

Outside

The property is approached by its own driveway which provides parking space for at least 2 cars and leads to a single garage (15'4 x 8'9). To the rear of the garage is a good garden store (15'2 x 8'9) and two further smaller garden sheds.

To the front the gardens have been stoned for ease of maintenance and at the rear the gardens are a good size and include a lawned area, various floral borders, a covered sun terrace, Magnolia and much more.
