DESCRIPTION

An impressive 1930's mid terraced property set in a sought after location close to the village of Larkhall. This property has been sympathetically renovated and extended to provide a fabulous family home. The accomodation comprises a living room with a bay window. A dining room extending into a contemporary kitchen with doors leading out on to the south facing decked balcony. Steps leead down to a mature level garden. The propeerty benefits from three bedrooms and a family bathroom. Beautiful far reaching views.

LOCATION

Croft Road is situated in an elevated position benefiting from far reaching views, within the sought after location of Fairfield Park, east of Bath. Fairfield Park is a popular area known for its varied community, stunning valley

views and family friendly pubs. The property enjoys good bus links to the centre of Bath and easy access to the M4 without having to cross the city.

The city centre of Bath provides a full range of retail outlets together with many amenities including an excellent selection of restaurants, Bath Sports Centre, the Theatre Royal and the Thermae Spa. Complementing this is the open countryside to the east with many beautiful walks. This contrasting with the closeness of the city centre is, in our opinion, one of the major attractions to this property. Communication links are excellent with a mainline rail link to London Paddington (journey time from 85 minutes) and Bristol Temple Meads (journey time from 15 minutes).
