DESCRIPTION

An elegant Victorian family home set in an elevated position with fabulous views. This exceptional period property has been sympathetically updated and has retained many period features such as exposed wooden floorboards, pretty fireplaces and coving. The property offers spacious and light accommodation comprising a living room, dining room, kitchen/breakfast room opening into the rear garden, three bedrooms and a luxury bathroom with separate shower. A delightful south facing garden with decked area and rear pedestrian access.

LOCATION

Fairfield Park is a popular area known for its varied community, stunning valley views

and family friendly pubs. The property enjoys good bus links to the centre of Bath and easy access to the M4 without having to cross the city.

The city centre of Bath provides a full range of retail outlets together with many amenities including an excellent selection of restaurants, Bath Sports Centre, the Theatre Royal and the Thermae Spa. Complementing this is the open countryside to the east with many beautiful walks. This contrasting with the closeness of the city centre is, in our opinion, one of the major attractions to this property. Communication links are excellent with a mainline rail link to London Paddington (journey time from 85 minutes) and Bristol Temple Meads (journey time from 15 minutes).
