

A rare opportunity to acquire this striking and architecturally designed detached residence, offering a distinctive contemporary aesthetic and an exceptional sense of space across four floors of beautifully arranged accommodation.

Positioned near the apex of Humbleton Hill in an outstanding and highly private setting, the property occupies a generous south-facing plot of approximately one third of an acre, with extensively landscaped gardens to the rear and side, creating a superb outdoor environment that perfectly complements the home's modern design. The grounds are further enhanced by mature trees providing natural screening, ensuring a high degree of privacy.

Designed with modern family living in mind, the property features a superb open-plan interior layout, delivering impressive and versatile living spaces ideal for both entertaining and everyday life. The accommodation extends to five well-proportioned bedrooms and four bathrooms, thoughtfully arranged across the four floors.

A standout feature is the extensive south-facing Juliet balcony, accessed from the main living area, allowing natural light to flood the principal reception space and creating a seamless connection between indoor and outdoor living.

The lower ground floor has been expertly configured as a dedicated leisure suite, offering flexible recreational space with the added benefit of direct access onto the landscaped gardens, further enhancing the home's lifestyle appeal.

Externally, the property continues to impress with formal terraces, a decked seating area, and beautifully landscaped gardens wrapping around three sides of the home. In addition, there is ample parking provision with two garages, providing excellent storage and practicality.
