

A truly exceptional former show home occupying one of the largest house styles on the highly sought-after Sandpiper View development, ideally positioned in the heart of East Boldon Village and conveniently bordering the neighbouring village of Cleadon.

Immaculately presented throughout, this impressive family home offers spacious and versatile accommodation arranged over three floors, with the added reassurance of a 10-year NHBC warranty still in place.

The property provides an outstanding four-bedroom layout, including a particularly impressive principal bedroom featuring a dressing room and en-suite, while a further bedroom benefits from its own en-suite facilities. The remaining bedrooms are generous in size and complemented by a stylish family bathroom.

At the heart of the home is a superb open-plan kitchen, living and dining space, creating a bright and sociable area ideal for both everyday family life and entertaining. There is also a separate lounge, ground-floor WC and excellent storage throughout.

Externally, the property continues to impress. The sun-drenched rear garden provides a wonderful private outdoor space, while to the rear there is also off-street parking for up to five vehicles, a garage and an electric vehicle charging point.

The location is equally appealing. Sandpiper View is within easy walking distance of the excellent range of shops, cafés, restaurants, schools and everyday amenities available in East Boldon and Cleadon, while East Boldon Metro Station is also conveniently close.

For commuters, the Metro provides a direct and convenient connection towards Newcastle city centre, with journeys to the city centre taking approximately 25 minutes. Newcastle International Airport is also readily accessible, at around 15 miles away and approximately 35 minutes by car, making the property particularly well positioned for both daily commuting and travel further afield.
