9 Station Road, Chobham, GU24 8AQ

A beautifully renovated three-bedroom semi-detached period home, ideally situated in the heart of the historic village of Chobham. Combining an abundance of character and charm with high-quality modern finishes throughout, this exceptional property is offered to the market in true move-in condition and with no onward chain.

Recently refurbished to a high specification, the accommodation comprises three well-proportioned bedrooms on the first floor, all served by a stunning family bathroom finished to an excellent standard.

To the ground floor, the property offers a spacious lounge, separate dining room, a brand new fitted kitchen with ample worktop space and storage cupboards, a versatile additional room ideal for use as a study or home office, and a convenient downstairs WC.

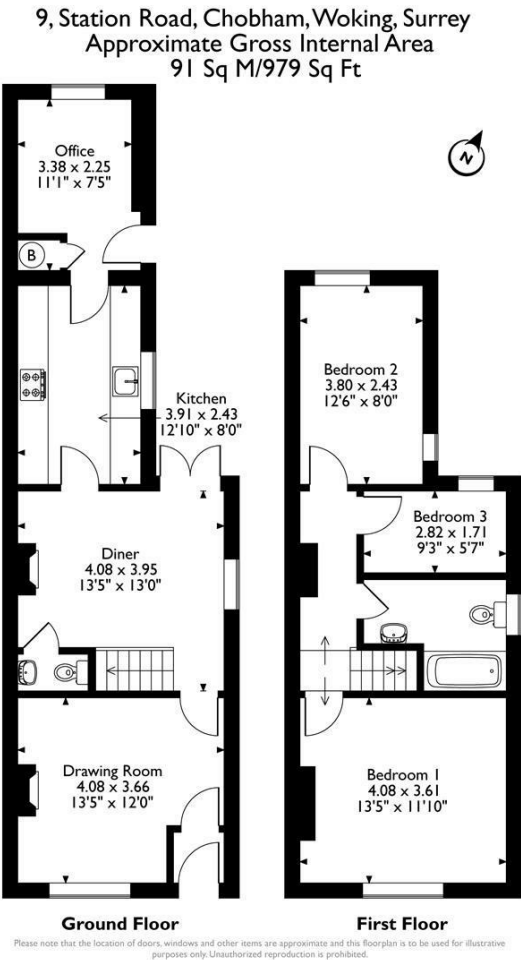

Externally, the property boasts a larger-than-expected rear garden, providing a peaceful and picturesque outlook. To the front, there is off-road parking.

This wonderful home perfectly blends attractive period features with the feel and finish of a virtually brand new property inside. Already attracting significant interest, internal viewings are highly recommended to fully appreciate everything this stunning home has to offer.
