63 Glenfield Road, Ashford, TW15 1JJ

Occupying a generous corner plot within one of the area's most sought-after residential roads, this extended three-bedroom detached family home offers spacious and versatile accommodation ideally positioned within walking distance of highly regarded schools, recreation parks and the town centre. The property has been thoughtfully extended to provide a substantial kitchen/breakfast room, creating an excellent space for everyday family life and entertaining, whilst additional ground floor accommodation includes a useful study area and a downstairs W.C. The first floor comprises three well-proportioned bedrooms served by a family bathroom.

Externally, the property enjoys impressive front, side and rear gardens, offering excellent outdoor space and tremendous potential for further enlargement, subject to the usual planning permissions. A particular feature is the detached double garage, accessed via double gates and complemented by additional off-road parking to the front. Properties occupying plots of this size and in such a desirable location are rarely available with further potential to extend subject to planning, making this an exceptional opportunity for families seeking a long-term home in a convenient and highly regarded setting.
