7 Hermitage Close, Shepperton, TW17 0EY

Built in the 1970's, this lovely detached bungalow is tucked away in a small, quiet cul-de-sac of just nine similar properties. The two double bedrooms both have built in wardrobes with views over the rear garden, whilst the large lounge/diner looks out and has access onto the secluded front garden. There is a good size separate kitchen and modern shower room. As well as the front & rear gardens there is a private drive with a carport and a garage with electric roller door.

The current owner has superbly maintained the property, with improvements over the last 18 years including UPVC soffits & fascias, re-fitted kitchen, shower room with large easy access shower enclosure, several windows and doors, flooring, block-paved driveway and the installation of a gas central heating system, with new boiler in 2016. The garage has been re-roofed and an electric roller door installed in 2018.

The property is just over 1 mile from Shepperton's shops and train station and the M3 & M25 can be reached in around 10-15 minutes respectively. EPC Rating C.
