

27 & 27a Milton Road, Egham, TW20 9PF

£500,000

27 & 27a Milton Road, Egham, TW20 9PF

This detached Victorian house is situated in a prime residential road in central Egham, close to the main shops and mainline train station, with Waterloo approximately 40 minutes distant.

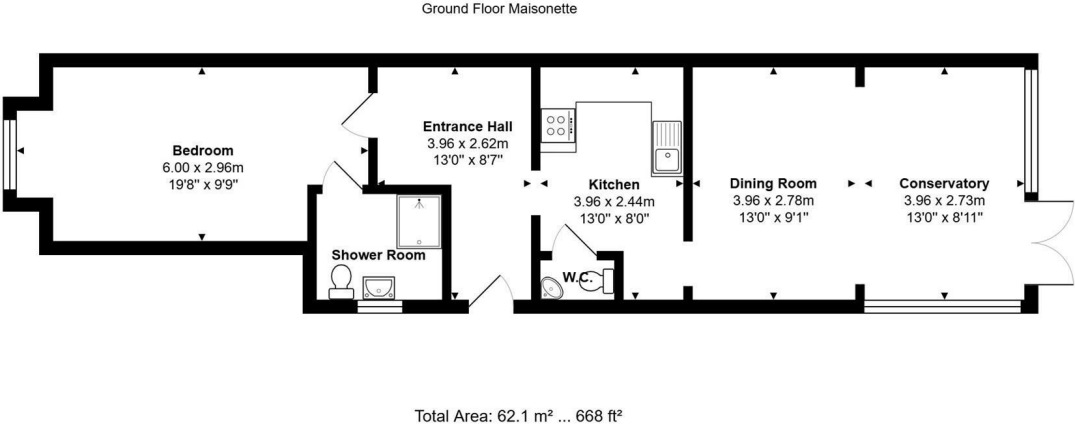

The property is currently split into two maisonettes, one on the ground floor with the stunning garden and a smaller one on the first floor, both of which are currently let out (at £1,300pcm & £1,000pcm respectively, the latter of which has apparently not increased over the last 3 years). The property can be sold with tenants in-situ to 'investment buyers', or with vacant possession to someone who would like to convert back into a family house, or perhaps to someone who would like to live in one but benefit from the rental income of the other?

Unfortunately, at this time, we only have the floor plan for the ground floor.

EPC Rating: D.

Floor Plan
