32 Harvest Road, Englefield Green, TW20 0QS

This is one of those rarely available four bedroom detached Victorian houses in a good central village location. The current owners have extensively extended and improved this property over the last ten years to offer well laid out family accommodation. No expense has been spared in the wonderful South westerly aspect 76' rear garden which is laid to lawn with well-stocked flower/shrubbery beds either side, a decking area behind the house with low trellis and two clematis plants. Further down the garden is a quality garden room/office and at the end of the garden is a newly constructed pergola with beautiful climbing roses.

The accommodation comprises: entrance hall with downstairs cloakroom, living room with sash bay window, large study, kitchen/dining/family room and utility room on the ground floor, whilst on the first floor is a landing, master bedroom with Juliette balcony overlooking the rear garden and an en suite shower room, three further bedrooms and a large family bathroom with a separate shower enclosure. There is also a large loft with potential for a further bedroom suite. This is an excellent family house and we thoroughly recommend viewing. Council Tax band: E. EPC Rating: D.
