About

This gorgeous looking character building is situated on the banks of the River Thames, formerly owned by the water board and with character in abundance. There are lovely views across the river towards Runnymede and a large south facing patio from which to sit at and enjoy them. The accommodation is well proportioned to include two reception rooms, three double bedrooms and an upstairs bathroom. There is a good size kitchen and a hallway and landing. The property does require some modernisation and will make an ideal project for those seeking to stamp their own personality and style on a property. EPC Rating: G.
