The accommodation is well laid out, with an entrance hall, lounge/diner with the lounge area having a bay window and open fireplace and the dining area with a wood-burner. There is a good size kitchen and a utility lobby which access a small downstairs cloakroom and the stunning rear garden. Outside the rear garden has been beautifully landscaped and has a sunny south facing aspect, large patio areas and sun terrace. There is a back door to the large garage, ideal for storage, a car, or potential conversion for which there is planning permission in place, along with a further ground floor extension. The property has modern sash windows and gas central heating to radiators. There is off road parking for a small car in front of the garage and a 'dropped curb' and if further parking is desired, an annual parking permit can be purchased for the Hummer Road car park behind at a cost of £7.50 per week!.
