4a South Road, Englefield Green, TW20 0RL

Student or Residential let. This lovely home has just undergone a total transformation to provide lovely sized accommodation with a new kitchen and upstairs bath/shower room. The windows have been replaced with new double glazed units and there is a gas central heating system with brand new boiler.

In addition there is a large downstairs cloakroom that is plumbed for a washing machine and there is a southerly aspect rear garden and a good size block-paved parking area to the front.

The local shops are a short walk, as are the local schools and University. The village green, Windsor Great Park and Virginia Water are easily access-able and Egham's main shops & train station are about 1 mile distance.
EPC Rating: D.
