# Beggars Roost Green Road, Thorpe, TW20 8QS

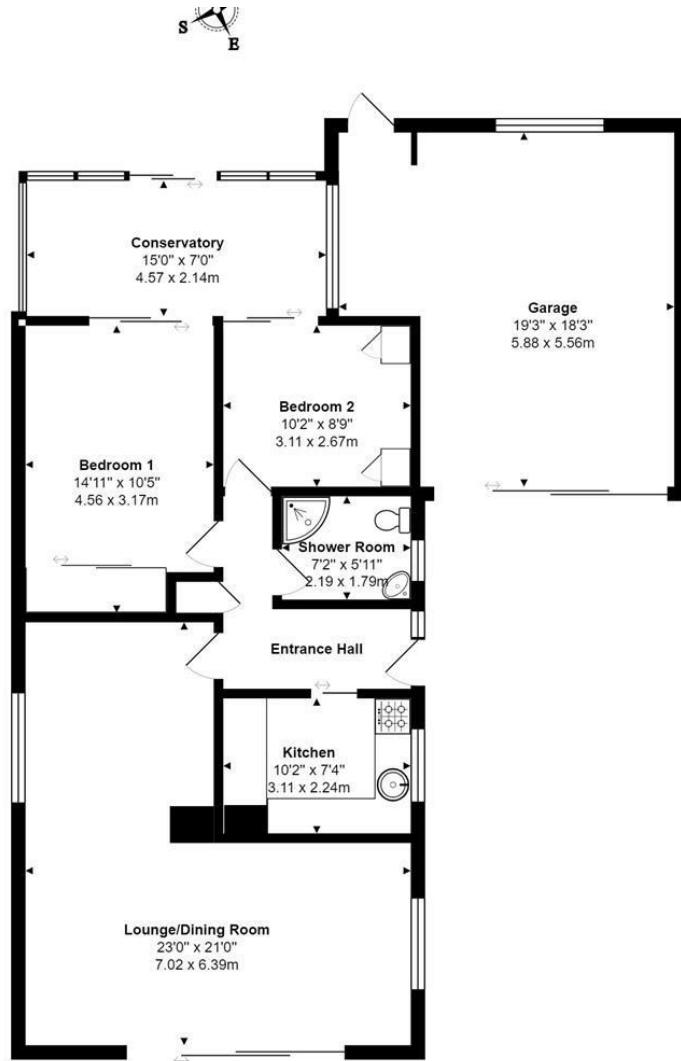

Beggars Roost is a detached bungalow set in the heart of Thorpe village, just a few properties along from the post office and a short walk to the Thorpe C of E primary school, Tasis International school and the Frank Muir Memorial Field.

The property was built in the 1960's and has remained in the same family; taking its name from a well-known hill climb in the 338 mile Lands End Trial, It is now looking for the next family to restore the property and perhaps re-configure to further enhance and enjoy the lovely rear garden. In addition to the lovely rear garden is a super front garden and long driveway for several cars which leads to the large garage. The accommodation is well laid out with all rooms off the entrance hall and comprises a big L-shaped lounge/diner, kitchen, two bedrooms, a shower room and a conservatory.

Nearby Virginia Water offers a lovely shopping parade and train station, with more extensive facilities in Egham & Chertsey. EPC Rating: D.
