7 Parsonage Road, Englefield Green, TW20 0JW

A charming and spacious four double bedroom 1930s semi-detached house, ideally situated in the sought-after village of Englefield Green. This attractive family home blends period character with generous living accommodation, offering well-proportioned rooms throughout.

The property benefits from a welcoming entrance hall leading to a lovely double length lounge/dining room with a gorgeous bay window and an open fireplace. There are double doors with bevelled glass that lead through to a family room which has views over the rear garden and is ideal for both everyday living and entertaining, as it can also be approached from the kitchen; plenty of potential here for people to create a fabulous kitchen/breakfast/family room, particularly with the integral garage which could potentially be incorporated into the living accommodation (subject to any planning permission/building regulation requirements).

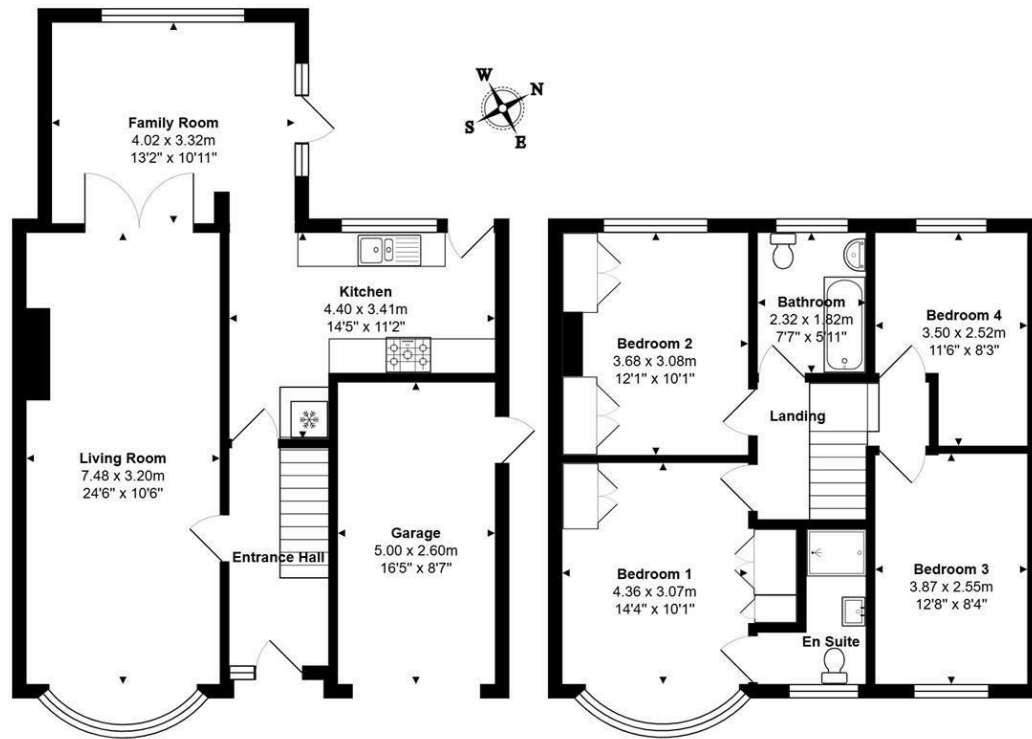

The four double bedrooms, approached from a balustraded landing, provide ample space for family and guests alike, with a family bathroom and a principal bedroom having an ensuite shower room.

Externally, the home is equally impressive, featuring gated off-road parking for 2-3 cars and a garage, ensuring both convenience and security. To the rear, a delightful and large Westerly aspect secluded garden enjoys plenty of sunshine, creating a perfect setting for outdoor relaxation and entertaining.

Located within easy reach of local amenities, well-regarded schools, and transport links, this property presents an excellent opportunity to acquire a spacious family home in a highly desirable village setting. EPC Rating: TBC
