Outbuildings

Finally, this property also comes with outbuildings spanning 1100 sqft. They are in need of repair but offer an amazing opportunity to replace like for like, or to develop. The current owners have previously had plans drawn up for a residential dwelling, but any potential development would all be subject to planning. The only way to get a true feel for what this property offers is to come and view.

Lease

We are advised by the vendor that the property is leasehold with a term of approximately 84 years remaining but the owner will also acquire the freehold of the property. The current service charge is approximately £150 per month and ground rent is approximately £25 per annum. A buyer is advised to obtain verification from their solicitor or legal advisor.
