

4 SELSEY AVENUE, M33 4RL
£625,000

DESCRIPTION

A SPACIOUS 1471-SQFT THREE BEDROOM DETACHED FAMILY HOME occupying a superb position within comfortable walking distance of Sale Town Centre, excellent local schools and Selsey Avenue playing fields. Offered with NO ONWARD CHAIN, the property also presents significant further development potential (subject to the necessary consents).

This larger-than-average home has been thoughtfully extended to the ground floor, creating an impressive principal lounge with a striking picture window overlooking the rear garden and flooding the space with natural light. In total there are three reception areas, including a dining room with bay window and a versatile breakfast/morning room, ideal for modern family living. A useful downstairs WC completes the ground floor.

The location is a key feature — Sale Town Centre is approximately a 15-minute walk, Selsey Avenue playing fields are positioned at the end of the road (perfect for families and dog walkers alike), and the property falls within the catchment area for Ashton-on-Mersey School.

In brief the accommodation comprises: entrance porch, welcoming hallway, downstairs WC, bay-fronted dining room, extended lounge, morning room and kitchen. To the first floor are three well-proportioned bedrooms — including a particularly generous third bedroom — plus a bathroom and separate WC. The loft space is substantial and offers clear scope for conversion (subject to consents).

Externally, the property enjoys a large rear garden laid mainly to lawn. To the front there is further garden space and a driveway providing off-road parking, leading to a detached single garage.
