Kings Crescent Utilities
The Kings Crescent development uses a 'Communal Heat Network' to provide gas central heating to each dwelling. A third party provider, Ginger Energy, offer a comprehensive recharging service to each individual tenant. Within each dwelling there is a Heat Interface Unit (HIU), which is sometimes known as a heat box. The HIU enables each Resident to control the time of usage and the temperature required. It also measures individual consumption, so that billing can be produced. Due to the set up of this system, Ginger are the only provider available.

The choice of Electricity provider is available to each resident.

PLEASE NOTE
Tenants are required to pay to the first months rent and deposit, the deposit being equivalent to 5 weeks rent or less, prior to a tenancy commencing. A holding deposit equivalent to 1 weeks rent or less will be required on making an application for the property, this amount will be deducted from the total required.

The holding deposit will be retained by the landlord/letting agent if false or misleading information is provided which affects a decision to let the property and calls into question your suitability as a tenant
