

Harrop Edge Road, Hyde, SK14 6SJ

Offers over £675,000

A rare opportunity to acquire a part-complete, detached four-bedroom farmhouse style property set within approximately six acres of land, complete with existing stables and offering exceptional potential to create a unique countryside family home with equestrian possibilities.

Constructed in stone and block beneath a pitched slate roof, the property has been designed in keeping with the character of its rural surroundings.

The ground floor currently comprises an entrance hallway, lounge, dining room/bedroom 4, kitchen, room for downstairs WC, together with a substantial storage area. To the first floor are three generous bedrooms, including a principal bedroom with ensuite, plus a family bathroom and a store room.

Significant development works have already been undertaken, including a new borehole and pump, roof, soffit, fascia and gutter repairs/replacement, septic tank servicing with associated paperwork, nine new triple-glazed windows, a new rear door, three new window openings and two widened windows. Extensive internal structural works have also been completed, including new internal doors, creation of a walkway to the proposed extension, formation of the downstairs bathroom with plumbing installed, and first-fix plumbing for the upstairs bathroom. The existing kitchen has also been completed.

Externally, the approximately six acre plot is arranged as three interconnecting fields/paddocks and benefits from three separate access points/entrances.

Adding further appeal, planning permission has been approved to approximately double the existing provision. This is an exciting opportunity to finish and create a truly individual countryside home.

LOCATION

Occupying an idyllic rural setting above the village of Mottram, the property enjoys an elevated position, surrounded by open countryside and benefiting from a south-easterly aspect. The elevated setting provides panoramic, far-reaching views towards the foothills of the Peak District National Park, creating a truly special backdrop for an outstanding countryside home. Despite its peaceful rural setting, the property remains conveniently positioned for access to local amenities and to the surrounding towns. The M67 is easily accessible providing onward connections towards Manchester and the wider motorway network.
