A unique penthouse apartment occupying the entire second floor of the building, offering exceptionally spacious accommodation throughout. Built in 2004, this impressive home benefits from underfloor heating, a grand entrance and an oversized landing area. The property features two generous double bedrooms, one with built-in storage and the other with a built-in cupboard housing the water tank, with both bedrooms benefiting from en-suite bathrooms. There is also a separate WC located off the landing. The spacious open-plan lounge and dining area leads to a well-equipped corner kitchen with integrated appliances including a fridge freezer, oven, electric hob and slimline dishwasher. A separate utility room with washing machine and tumble dryer is also included. Further benefits include an entry phone system, one allocated parking space, visitor parking and access to a communal rear garden. Available end of July – contact us today to arrange your viewing.
