Situated in a most popular residential location with good access to all the amenities available in Ashton Town Centre this, well maintained, bay fronted, character three bedroom semi detached property occupies a delightful garden plot and comes onto the market in good order throughout. Whilst having been well maintained some up-grading is required allowing interested parties to import their own taste and specification upon the property.

Ashton Town Centre is within easy reach and provides a wide range of shopping and recreational amenities. The Town Centre's bus, train and Metrolink stations provide excellent commuter links to Manchester City Centre and the neighbouring towns. Also within easy reach are several local junior and high schools as well as Tameside General Hospital.

The property benefits from a combination boiler with British Gas annual service history and for the security conscious an alarm system is in place (serviced and maintained annually).
