## Outside

The features of this prestigious development are the beautifully appointed communal facilities including a lounge furnished to the standard of a quality hotel, a function room with computer and a restaurant with waitress service where a substantial mid-day meal is served every day. There is also a laundry room with washing and drying machines, the cost of which is included in the service charge and a guest suite for visiting family and friends.

## Staffing

In addition to the Estate Manager and 4 assistant Estate Managers who between them provide 24 hour cover, the service charge includes the cleaning of communal areas and 1 hours domestic help per week for the residents in each apartment. Additional help can be purchased separately as required.

## Mobility

The design of the communal areas combines both style and ease of mobility, so that those confined to a wheelchair can live independently in the apartment and have unrestricted access to the communal areas. There are also lifts to all floors.

## Garden

The communal gardens are for the use of residents.
