Bear Estate Agents are thrilled to bring to the market this well-proportioned three-bedroom home offering approximately 887 sq ft (82.4 sq m) of accommodation arranged over two floors. With a spacious lounge, separate dining room, kitchen with adjoining utility room and three good-sized bedrooms, the property provides a practical and versatile layout ideally suited to families, first-time buyers or those looking for a home with scope to make their own.

The ground floor is entered via an entrance porch leading into a generous front lounge (10'8 x 13'5), providing a comfortable main living space. Moving through the property, the separate dining room (13'8 x 13'5) offers plenty of room for family dining and entertaining, while also giving access to the staircase and useful under-stairs storage.

To the rear is the stunning kitchen, positioned alongside a separate utility room, providing valuable additional workspace and storage and helping to keep laundry and household appliances away from the main kitchen area.

Upstairs, the property offers three bedrooms. Bedroom One (10'6 x 13'5) is an impressive master bedroom spanning the width of the property, while Bedrooms Two and Three provide further comfortable sleeping accommodation, with Bedroom Three also well suited to use as a home office, nursery or guest room if required.

The first floor is completed by a modern family bathroom, together with additional built-in storage areas — a particularly useful feature for a home of this size.

The rear garden is accessed through French doors in the dining room, and is in excess of 100ft in length! The owners have kept the garden in an incredible condition and there are allocated seating areas to be enjoyed at the front and rear of the garden. To the front of the home is driveway parking for one vehicles and plenty of extra parking available on the surrounding roads.

Situated on London Road in Wickford, the property is conveniently positioned for access to the town's range of shops, amenities, schools and transport connections, making it a practical choice for commuters and families alike. The road links from the property are high advantageous, with the A127, A13, A12, A130 and M25 all reachable within a 10/15 minute drive.
