The internal layout of this home begins with an inviting entrance hall which sits at the heart of the home and adjoins all ground floor rooms. The kitchen is located at the front of the property, overlooking the front garden, and boasts an abundance of cupboard and surface space as well as integrated appliances. The lounge is a bright, airy and spacious room, measuring 14'7 x 14'3 and benefits from French doors into the delightful rear garden. Located off of the entrance hall is also a ground floor WC and a large storage cupboard, completing this downstairs layout.

The upstairs continues to impress, boasting TWO DOUBLE BEDROOMS and a modern bathroom. Bedroom 1 measures 9'8 x 14'3, comfortably fitting a king sized bed and accompanying furniture, whilst bedroom 2 measures 10'3 x 10'7 at maximum dimension and benefits from a built in storage cupboard which stretches over the top of the stairs. The bathroom is a three-piece suite which is comprised of shower over bath, toilet and sink.

The external benefits to this home are fantastic, beginning with the WEST FACING REAR GARDEN, which soaks up the sun throughout the afternoon and helps flood the lounge with natural light. There is also a generous sized front garden and side access connecting the two. This home is also sold with a garage and driveway to the front of the garage and it is worth noting that the positioning of this home also lends itself to some additional on-street parking directly outside the front of the home.
