The internal layout of the home begins with an entrance hall which sits in the middle of the house, hosts the stairs and a large under-stairs storage cupboard, and adjoins to equal sized rooms. To the front of the property is the roomy lounge, measuring 10'11 x 13'5, and boasts two large windows which maximise the intake of natural light. To the rear of the home is the kitchen/diner, also measuring 10'11 x 13'5 and offers a door into the rear garden.

The upstairs to this classic layout offers a large master bedroom which measures 10'11 x 13'5 and what was an equal sized bedroom 2 has now been cleverly split into two bedrooms which measure 10'11 x 6'8 and 10'11 x 6'6 respectively. The family bathroom is a three-piece suite which is comprised of shower over bath, toilet and sink.

The rear garden to this home is a fantastic size and notably SOUTH-WEST FACING! The garden is relatively low maintenance, made up of patio and turf with minimal foliage. Adding to the external benefits are a driveway for multiple vehicles and a large garage, accessible from the front of the garden.

These style of houses have always sold very quickly, so an appointment is recommended to come and see all of the benefits on hand. Call us today to book a viewing!
