Internally, the new owner will be greeted by a striking and spacious entrance hall which stretches over 20' in length complete with understairs storage, a ground floor W/C and a utility room. The entrance hall in turn allows access to the living area and the kitchen come diner.

The main living room is impressive in size measuring 23'5 x 12'10 with a feature bay window. This provides the perfect environment in which to both entertain and relax.

Worthy of special mention is the breathtaking kitchen come diner which measures 21'2 x 11'11, there are bifold doors off of the kitchen into the large south facing garden plus double doors from the dining area into the living area. There is a feature island within the kitchen which becomes the focal point of the room. There is an abundance of both worktop space and storage space. Off of the kitchen is a ground floor shower room complete with walk-in shower, washbasin and W/C.

Completing the ground floor is the separate utility room which measures 6'3 x 4'7 and is accessible off of the entrance hall.

The entire ground floor flows incredibly well from room to room and is perfect for growing and already larger families. The property has been designed to manage the practicality of day to day family life's.

The first floor commences with a spacious landing which allows access to all four bedrooms and the four piece family bathroom suite.

Benefiting from part of the extension is the master bedroom, this measures 15'5 x 7'5 moving into a walk-in wardrobe which measures a further 7'5 x 6'5. Dual aspect windows flood the master bedroom with natural light. The current owners have also, as part of the extension, utilised the loft space of the extension to create a games area, this measures 9'8 x 7'9 and is accessible via fitted ladders. There is also eaves storage off of the games area. The rest of the house has its own loft area as normal.

Bedroom two measures 12' x 11'1, bedroom three measures 11'1 x 10'11 moving into a feature bay window whilst bedroom four measures a further 7'4 x 6'10.

Completing the first floor is the four piece family bathroom suite, measuring 7'6 x 7'1 the bathroom consists of the bathtub, separate corner shower, washbasin and W/C.

Externally there is a large southerly facing rear garden complete with an outhouse to the bottom of the garden. The outhouse comes complete with power. There is an electric door to the front and a single door to the rear. The garage measures 25'9 x 10'10 and is perfect for car enthusiasts or for those looking for a touch more storage space or an overflow from the kitchen as there is power to the garage as you would expect.

To the front there is driveway parking for multiple vehicles alongside a wealth of communal parking.

The property is situated within walking distance of Laindon Station and within walking distance of local shops and amenities. It also offers fantastic access to the A127 in particular.
